**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband consumer who supports competition. Competition in business is key to the free market and the American way of life. It is the catalyst of innovation and growth that the nation depends on. Please do everything in your power to increase - rather than reduce - local broadband competition.
